

Recd April 8<sup>th</sup>

Dewey Rochester N.Y. 2. 1850

Dear Sir, our friend, Dr. Hayden, left here last Saturday for Washington, to fit out for his tour, & to sail from St. Louis Apr. 10<sup>th</sup>. As we have a great interest in him & his pursuits, I had an article on his collection in one of your papers, published there in two papers. One of them also got up an editorial, giving some thing of his history, & an article to me of much interest. I send it to you, & ask you to insert it in that paper, as I presume the Editor would be glad of it.

Two mistakes occur in it which you can rectify: as, "in the spring of 1853", should be 1854; & as, "The winter of 1853 & 1854 he spent here at the University," should read, "a part of the spring 1854 he spent."

The other is correct, so far as  
I know.

Dr. H. appears firmly. He has  
done well.

Please admit my reason  
for sending the enclosed. I wish  
it in your paper, before he  
comes to you.

Truly yours &c.  
C. Deering
